I would like to start by welcoming you all to Wests Juniors Annual General Meeting. It has been a pleasure to sit in the role of secretary this season.

Throughout the year, we held 12 meetings, including the AGM and 11 general meetings. The AGM saw participation from 13 members filling the majority of elected positions successfully. With a total of 20 members attending meetings throughout the year, we averaged around 10 members in attendance each meeting.

Our meeting agendas tackled many topics, issues and resolutions, including the successful amendment of our club's registered name to Wests Newcastle Junior Rugby League Club Inc, removing "Schoolboys" from the title as we continue to promote inclusivity. We also voted and amended our constitution to reflect modern changes in the managing and administration of the club.

This year, we proudly fielded 30 teams, including 3 women's tackle teams. We saw the success of 7 teams making it to the semifinals which included all three of the women's tackle teams, 4 teams reaching the grand finals, and 2 teams clinching both minor and major premierships. The dedication and hard work of our players and coaches have been truly commendable.

Our registration numbers remained robust, with approximately 480 players and 170 registered volunteers. This consistency mirrors our 2023 figures, underscoring the club's stability.

We predict our registration numbers to remain consistent however consideration to registration fees will need to be addressed to ensure affordability for families. With considerations to the NSWRL and HJRL severe transfer policy reform this year, we will also continue to nurture our mini and mod age groups so we can maintain the growth and development of our junior club and in turn our senior counterpart.

We enjoyed trial games again this season at Valentine and Cessnock, providing our coaching coordinator and coaches the opportunity to follow our grading procedures and policies efficiently. We expect to continue this relationship with Valentine Junior Rugby League and Cessnock Minor Rugby League next year with Cessnock Minor Rugby League already reaching out regarding next year's trials.

This year, we faced significant weather challenges, including a delayed start to the season, abandoned rounds, closed grounds, rescheduled games and an extension to the season. I express my gratitude to the clubs that assisted us with moving games, the coaches, players and parents for their patience as we negotiated, what felt like the never ending amount of rescheduled games. The decision to close our grounds was never taken lightly and we worked tirelessly to ensure we made it to the end of the season with almost all games played.

Last year, we attempted to have our first community club event since COVID. Unfortunately, we were unsuccessful with little interest from our community. We were determined to attempt another event this year with the belief that events like this help build the culture of the club. Whilst there were minimal tables filled, our trivia night was a successful and enjoyable event. I would like to thank Bill and Sheena Kearsley for running the trivia.

Our social media presence has grown significantly, with around 4500 followers across Facebook and Instagram. This platform has been instrumental in keeping our community engaged and informed.

I would like to thank our outgoing sponsors, Dann Rugg Earthmoving and Richard Crookes Constructions. I would also like to express my gratitude to Hunter Moto, SKM Built, and McDonald's for rejoining us again for next year. I would also like to give a warm welcome to our new sponsors: Container Traders, Building Wise, and Cad Building. We are excited to have you on board. Finally, I extend my deepest gratitude to my fellow executive committee members. It has been a year to remember, your unwavering support, dedication and hard work have been invaluable.

The roles were filled by:
Our president Ben and our vice president Dean, who were down at the grounds every Saturday morning before the sun was up. With the assistance of a handful of general committee members, their time and effort each Saturday morning has been invaluable.

BACK L to R : Lana Kettel, Brooke Hides, Yamisha Tupou, Chloe Dudgeon
 MIDDLE L to R : Russell Petrie (Club Secretary) Alyssa Shoulders, Zoe Welsh, Alysha Malcolmson, Amy Magri, Josh Potapczyk (Assistant Coach)
 FRONT L To R : Malaki Poo, Annelia Sirickland, Tim Penny (Head Coach), Prayten Barnes, Alex Holliday
 ABSENT: Rhiannon Avery, Sarah Byrne, Eliza Darney, Lucy Green, Lashelle Holland, Sienna Limpic, Brooke Miller, Holly Radburn, Hannah Rando, Aishya Robertson, Taulia Robertson, Caitlin Shoulders, Sophie Wilson.

Our assistant secretary, Renata who was responsible for chasing our volunteers to ensure they were all accredited which was not an easy task. She also had many other responsibilities included team sheets each week which also involved a lot of chasing coaches.

Dan our treasurer and canteen supervisor, who has been involved in Wests juniors for over a decade, has experience that can't be over looked. I want to wish Dan all the best as he finally steps down and retires from juniors.

I would like to acknowledge the Wests Group, Russell Petrie and Wests senior club for their contributions and assistance throughout the year. Russell is retiring from the secretary position he has held at seniors for the past five years; I would like to wish Russell all the best in his retirement.

Amanda Mikulski, Wests Junior Secretary

President's Foreword

Winning has been a traditional outcome for the Rosellas over many seasons. Our Club, by respecting our past performances and values, contributes to those traditional outcomes. Respect and values shape our present and future performances.

Season 2024 did not achieve the winning standard we set for ourselves in line with tradition. There were numerous factors during the season which impacted on our performances, however we were not inspirational through our actions, achievements and, at times, effort. We need to value the talent of our "pathway" players and prioritise the hard work and tenacity over all else to realise our traditional winning ways. I have stated many times, "Experience is not always easy to acquire, but perseverance and belief is necessary in the process."

I acknowledge the efforts of our coaches and staff in all grades during a particularly challenging season. Some of the challenges have been unprecedented and the Club was grateful for the efforts to meet those challenges.

Congratulations to all our trophy winners for season 2024 and particularly our "Clubman of the Year", Nicholas HAGGERTY. A special acknowledgement for our new "Life Member" Ben STONE. Coach Matt ATKINSON who has been a big part of our "Pathways" programme over many years will have a break from coaching next season.

Russell PETRIE is retiring as Secretary at the 2024 AGM after 5 years in that role. He has been an excellent administrator, mentor and confidant who served the Club to the highest level.

A proposed new Club Constitution will be presented at the 2024 AGM with an Explanatory Memorandum for the information of Club members.

The Senior Club is grateful to all those people involved in the management and operations of all our affiliated clubs and look forward to your continued support.

Wayne M Hore
President

4. Election of Officers (in accordance with Memorandum of Articles of Association)
5. Election of Life Members
6. Notice of Motions
7. General Business (that may be brought forward in accordance with the memorandum of Articles of Association)

To Members of Western Suburbs Rugby League Football Club Inc.

As we Look back over 2024, we can reflect as to having a reasonable year with two of our four teams finishing in the semi-finals. A Season where we were affected by a lot of wet weather whereby causing us to play five of our nine home games away due to Council closing grounds. This did not assist us in building a home game advantage which is the norm with West playing at Harker Oval.

Our First Grade coached by Rick Stone side finished in seventh position which was very disappointing considering the quality of the players in the team. Players being unable to attend training sessions for various reasons did not assist in developing a good team culture which provides an environment for players to play for each other to create that winning culture for which we are known.

Our Reserve Grade team coached by Lucas Miller were successful in winning the Minor Premiership however were defeated in the elimination final against Lakes United. A great team which bonded together extremely well and enjoyed their football.

Our U19s team coached by Matt Atkinson finished second on the ladder and went on to play Lakes United in the Grand Final losing 32 points to 12. Lots of talented players in this team which I feel will enjoy some success in the coming years.

Our Women's Tackle team coached by Tim Penny competed very well throughout the year finishing out of the top four. The team had an influx of new players and this will take time to develop some cohesion. I would like to thank our Coaches and our strength and conditioners Lee Clark and Darren Jenkins for their efforts throughout 2024. There will be some rebuilding needed in 2025 as some of our current playing rosters have chosen to play at other Clubs for various reasons.

I would personally like to thank all our Club Sponsors, Red Funnel Frozen dry goods and Seafood, Reward Distributions, Top Cut Meats, Robert Darcy Properties, Newcastle Frozen Foods, and the West Group. Also, a thank you to the players, Coaches, Staff and Committee that assisted in making the season such a success with limited resources at times. I would also like to thank those people that have assisted me during my five years as Secretary as I am now stepping down to enjoy some free time.

Russell Petrie, Hon Secretary WSRLFC
